THE WHITE HOUSE
WASHINGTON

June 16, 1971

Dear Carl:

Thank you for your letter of May 20 with regard to raising the ceiling for military sales to Latin America. I was very pleased to have your views as well as the information about Mr. Minotto and I will see that your recommendation that he be called to testify is passed on to the appropriate committees of the Congress.

With warm personal regards,

Sincerely,

The Honorable
Carl Hayden
